

AP CLASSES

AP classes are the most challenging classes offered in high school. They require a great deal of time and effort, but are a good way to challenge yourself and see what college level coursework is like.

Earn college credit by passing the AP exam in the following classes:

AP U.S. History
AP US Gov and Politics
AP Comparative Gov
AP Spanish

AP English
AP World History
AP Biology
AP Chemistry

AP Art Studio 2D/3D
AP Calculus AB or BC
