

**School Community Council
Minutes
March 13 2014 7:00 am**

Members present: David Dunn, Mark Durfey, Anne Hunter, Diane Cosgrove, Mary Ellen Rosen, and Danni Eisert, Dana Adams

Others present: Scott Wihongi, Ilene Nelson

Anne Hunter – Welcomed everyone

Scott Wihongi – Gave each member a copy of the School Trust LAND Progress Report and 2014-2015 School Plan Proposal. He pointed out that there was not a lot of change from last year's. One change, a portion of the money spent last year was for teacher DuFour training. This year administration would like to use about the same amount to help with the funding of a math lab. A copy of the proposal was emailed to the Council and will be discussed at the next meeting.

Mary Ellen Rosen – asked about Common Core implementation at MHS. Scott replied that Implementing Math Common Core requirements has been a huge task for Murray District's Secondary Math Teachers. A framework is now in place and a textbook purchased.

Mary Ellen also inquired about school policy and plans to educate and prevent the use of e-cigarettes. Scott said that school policy is the same for e-cigarettes as regular cigarettes. He agreed that the school should/would find places to start implementing some education for students.

Next SCC Meeting will be April 10th.
