

School Community Council
Minutes
April 10, 2014 7:00 am

Members present: David Dunn, Mark Durfey, Crystal Spackman, Anne Hunter, Danni Eisert,
And Jeremy Taoalii,

Others present: Scott Wihongi, Ilene Nelson, Kelly Taoalii, and Superintendent Hirase

Anne Hunter – Welcomed everyone

Superintendent, Dr. Hirase – gave a brief overview of the new SAGE Testing (Student Assessment for Growth and Excellence). These tests will replace the CRT tests the state has currently been using. SAGE tests are more rigorous than CRT tests. SAGE testing is adaptive and students are required to know the answer, why and how to apply. Raw Scores from testing are available immediately and beginning next fall scale scores will also be available immediately.

Scott Wihongi – After some discussion of the Math Proposal, the decision was to wait on finale approval until it is determined what funding will be provided by USTAR.

Anne Hunter asked if we could start our next meeting a little earlier. The Council agreed to begin the next meeting at 6:45.

Next SCC Meeting will be May 1, 2014
