Full tuition will be charged for each month beginning September 1st through May 31st . There is no reduction of tuition for Christmas break, Spring break, unscheduled school closures, absences or vacations. For patrons who teach in year-round school situations, there is no tuition credit for the time children are off-track.

A 10% discount, for one child, is offered to Murray School District teachers and district employees with two or more children enrolled. This discount is offered to full time patrons only.

Children two years old or older will require the infant rate until the child is **considered independently potty trained**. This means they can tell a teacher they need to go potty, for assistance, and accidents are at a minimum.

* Half day rates and partial week rates are fixed regardless of days or times used.

*** Part time openings are available only if there is a client to fill in the opposite days on a consistent basis, otherwise full time rates apply.**

* Children enrolled for half-day - If your child attends over the 4 1/2 hours, you will be charged the following: \$35.00 for infants, \$30.00 for twos, \$25.00 for 3 or older, per day. To stay within the Utah State regulations for adult/child ratios we will not take children enrolled half days, for full days. This applies to children enrolled for specific days per week. You must come only on your specified days.

* Parents who split tuition payments with ex-spouses - We will accept payments from the **primary parent/guardian only**. The primary parent is required to acquire payment from the other parent.

* Field trips – a fee of \$35.00 is charged at the beginning of each school year for children 3 and older. This fee covers all admission fees and pays for guest visitors to the classroom.

Please understand that after school at 2:30 p.m., when the students leave, our ratios of 1 adult to 2 infants and children go down to 6 to 8 infants and children - per adult. For safety issues and to provide a high quality program, it is expected that all children will be picked up at a reasonable time after your school is out, including early days.

LATE PICK-UP FEES: Children picked up after the designated pick-up time, or after 4:30 p.m., will be charged **\$55.00 for up to 10 minutes and \$5.00 a minute thereafter for each child**. Child Protective Services will be notified if a child has not been picked up 30 minutes after closing time and we have not been contacted or are unable to contact a parent or authorized person. We will make every effort to call parents and/or those authorized to pick-up a child if this situation occurs and ask that you do the same to contact us.
