

ACT PREPARATION SESSIONS

National ACT Test Date: Saturday, February 10, 2018

Junior ACT TEST – February 27th, 2018

(statewide and school-wide, FREE for juniors)

In order to provide an opportunity for our students to prepare for the ACT, the following after-school and shorter morning classes have been scheduled:

ACT Subject Courses: These classes are designed to review the basics of English, Reading, Math and Science subtests. The classes will be taught in two sessions each with a minimum enrollment of 10 students and a maximum enrollment of 40 students—first come, first served. The cost for each of these classes will be \$5.00 per subject paid in the financial office at which time the student will be enrolled in the class. The class schedule will be as follows:
