NEW MHS Remediation Requirements/Guidelines:

1. Students: meet with your high school counselor & pick up a form of the classes you need remediate/make-up.
2. **Pre-pay** at the MHS financial office for the class(es) you plan to make up during the summer. **Counselors will be available beginning JUNE 5th to sign you up.**
3. Students must show proof of payment before **ANY** on-line course can be taken. If a student can demonstrate 80% competency on the pre-test, students will receive credit and the on-line module will not need to be completed.
4. If students do **not** pass the pre-test at 80%, they will then complete the on-line course/modules. Students may work on modules here at MHS or at home. Students must have access to the internet to work on them outside of school. Once coursework is completed, a proctored final exam is required. Students **WILL NOT BE ABLE TO** take proctored final exam until modules are completed. **Students must pass proctored final exam with 60% competency** to receive credit. ALL GRADES ARE "P" ONLY. LETTER GRADES ARE NOT GIVEN FOR REMEDIATION.
5. For courses not available on-line, students will be given pre-tests/packets to complete during the summer. Students may be able to finish before the August 30th deadline. Students can test during the month of June, if packets are completed. If testing is not completed before the end of June, students must contact Amy Knox to set up day/time in August 2018 to take post-tests NOT done through the on-line program (packets only). **These tests must be passed with 70% competency.**
6. Core teachers will be available to assist students that need extra help during their coursework. See below for days/times of availability
